SPA ON-THE-SPOT SERVICES

On-the-Spot Facial (30 minutes) — This quick, deep-cleansing facial treatment includes steam, exfoliation and extractions if needed.

On-the-Spot DERMAFLASH Facial (30 minutes) — The DERMAFLASH tool removes the top layer of dull, dead skin cells and built-up debris. Combined with the added benefit of peach-fuzz removal, it will leave your skin radiant and glowing.

On-the-Spot Microderm* (30 minutes) — This procedure includes makeup removal, light skin cleansing and microderm treatment, followed by a serum, moisturizer and sunscreen.

On-the-Spot Massage (30 minutes) — Give some TLC to your neck, shoulders and upper back for quick stress relief on a busy schedule, or as maintenance in between full-massage treatments.

On-the-Spot Pedicure (30 minutes) — Refresh your feet quickly with a foot soak and nail shaping, followed by a polish application.

FACIAL TREATMENTS

ANTI-AGING & HYDRATING

Fountain of Youth Facial (1 hour) — Slow down the aging process for a radiant, firmer complexion with this treatment.

Oxygen Infusion Facial (1 hour) — This facial stimulates new cell growth, as well as elastin and collagen production, which plumps the skin and produces immediate and visible results.

Alpha Beta Hydroxy Restorative Peel & Facial (1 hour) — This treatment combines alpha and beta hydroxy, creating a powerful exfoliant that sloughs off dead skin, making room for healthier new skin to emerge.

Deluxe Collagen Velvet Facial (1 hour) — This combination of pure moisture-soluble collagen and protein-rich extract is the perfect solution when your skin needs to look its absolute best—fast.

* Service available at selected spas.

Epidermabrasion Skin Renewal Facial* (1 hour) — This progressive, noninvasive cosmetic procedure removes the superficial skin layer without damaging the skin's integrity.

Advanced Hydrating Facial (1 hour) — A truly cleansing experience in skin rejuvenation and hydration, featuring pure plant-based oils that stimulate cellular regeneration.

SPECIALTY

Retinol Wrinkle Recovery Peel Facial (1 hour) — Ideal for advanced signs of aging, this highly exfoliating and skin-renewing facial treatment targets hyperpigmentation and wrinkles, and retexturizes the skin. Safe for all skin types.

Non-Surgical Face-Lift Facial (1 hour) — This facial incorporates noninvasive Skin Gym tools that provide natural face-lift solutions with instant results. The tools introduce lifting and sculpting workouts designed to train the 40+ muscles in the face. Benefits include collagen stimulation, diminished fine lines, firming and contouring, plus enhanced product absorption, leaving you with a radiant glow.

Skin Perfecting Peel Facial (1 hour) — Featuring a professional-grade chemical peel, this advanced corrective facial treatment is customized to the unique needs of your skin. Effective for even the most stubborn skin concerns, including fine lines and wrinkles, sun damage, dark spots and breakouts, this treatment will lead to dramatic results. Included with facial treatment is a take-home post-care kit (a \$38 value).

100% Natural Cellular Awakening Luxury Facial (1 hour) — Incorporating bio-nutrient technology, this treatment transforms your skin, giving you a healthy, luminous glow. Through powerful masks and anti-aging facial massage, your skin is renewed from within, allowing lines, wrinkles and sagging to disappear.

CORRECTIVE

Acne Facial (1 hour) — This treatment begins with steam and extractions, followed by a deep-cleansing facial to unclog and refine your pores, and a customized acne program from a Spa Nordstrom therapist.

Brightening Facial (1 hour) — This facial treatment will deliver a refined, radiant glow. An enzyme peel is used to deeply exfoliate and promote the production of collagen and elastin for amplified hydration, leaving your skin with a brightened complexion.

Resurfacing Peel Facial (1 hour) — Pharmaceutical-grade products and advanced peel technology (good for all skin types) reduce fine lines and provide deep exfoliation to produce more collagen.

BODY WRAPS, TREATMENTS & SPECIALTIES

Detoxifying Algae Wrap (1 hour) — This body wrap offers a complete head-to-toe treatment with exfoliation to remove dead skin cells and increase blood circulation, followed by an application of micronized marine algae. This nourishing wrap helps eliminate toxins and replenish the body with vitamins and trace elements.

Aromatherapy Body Wrap (1 hour) — This luxurious treatment rejuvenates and soothes the senses. It features a warm, aromatic body crème enveloping your body, plus an out-of-this-world head and scalp massage.

Slimming & Toning Body Treatment (1 hour) — This high-performance treatment tackles cellulite and stubborn unwanted fat deposits, infusing pure oxygen deep into skin cells to detoxify and encourage the release and elimination of stored fat. Cellulite-targeting massage techniques are used to tighten and tone the skin.

Java Lulur Body Wrap* (1 hour) — Start with a relaxing foot soak, then a complete body exfoliation with a blend of spice, jasmine and mineral powder. Finish with a honey and yogurt wrap for a moisturizing, tropical glow.

Two Hours in Heaven (2 hours) — Achieve complete relaxation with a full-body massage, a cocoon wrap, and foot, scalp and facial pressure-point massages.

Organic Eastern Ayurvedic Therapy* (2 hours) — Combining the spa's most popular treatments into one divine experience, this treatment is based on the Ayurvedic principle that combines an herbal body treatment with Shirodhara.

* Service available at selected spas.

Raindrop Essential Oil Therapy* (1 hour) — This treatment is excellent for boosting the immune system, releasing muscle spasms, calming inflammation, relieving emotional swings, increasing energy levels and detoxifying.

Shirodhara — Journey to Serenity* (1 hour) — The Ayurvedic therapist first applies a warm stream of oil to your forehead and massages it into the hair and scalp to nourish and condition. This is followed by a relaxing shoulder, neck, hand and foot massage.

Reflexology of Hands & Feet* (1 hour) — Reflexology helps your body rebalance itself through the release of blocked energy and toxins. It also improves circulation and the delivery of oxygen and nutrients to the entire body for better health. It is not recommended for pregnant women.

A Beautiful Back Treatment (1 hour) — Treat your back to a rebalancing treatment that includes deep cleansing, exfoliation, an anti-stress neck, shoulder and back massage, and a rebalancing detoxifying mask.

Body Renewal Treatment (1 hour) — This treatment features aromatherapy exfoliation, plus a neck and shoulder massage using an application of body butter to improve circulation and vitality.

Buff and Glow Body Treatment (1 hour) — This treatment stimulates skin while gently polishing away dead cells. Simultaneously, your skin is infused with a unique blend of oils to add moisture. While you're enveloped in warm towels, unique stretches will relieve deep tensions and renew your overworked mind and body. Soothed by the deep hydration of body butter, your skin will be left soft and supple.
