

# NORDSTROM

Giving back to the communities that support us every day has long been a cornerstone of our culture, and it's something we take pride in doing. We're working hard to give back to the communities where we live and work and each year we donate millions of dollars to nonprofit organizations across the U.S. and Canada. Through our Gift Card Give Back program, we donate 1% of all Nordstrom Gift Card sales to charity, helping support Community Grants and Employee Charitable Match and Volunteer programs. We invite our customers and employees to join us in making a difference in our local communities through other campaigns and partnerships with Shoes That Fit, Good+Foundation, Operation Warm and Big Brothers Big Sisters of America and Canada. We're pleased to share this list of nonprofit partners we're supporting through these efforts in 2022.
