BEAUTYBIO

Scalp Stimulation Facial / 30 min

\$65

Begin with an in-depth scalp-health consultation and evaluation followed by a soothing, regenerative scalp treatment using the GloPRO Microneedling Scalp Tool and Healthy Scalp Serum to reduce follicle-clogging buildup, soothe any irritation and stimulate thicker, fuller hair. We'll also provide an informative how-to for at-home use to continue seeing results beyond the spa. Service includes a complimentary take-home GloPRO attachment (tool sold separately).

Scalp Stimulation & Brightening Glo Facial / 60 min

\$135

Begin with an in-depth scalp-health consultation and evaluation followed by a soothing, regenerative scalp treatment using the GloPRO Microneedling Scalp Tool and Healthy Scalp Serum to reduce follicle-clogging buildup, soothe any irritation and stimulate thicker, fuller hair. Next, enjoy a Brightening Glo Facial, which instantly helps firm skin and restore lasting luminosity. Service includes a complimentary take-home GloPRO attachment (tool sold separately).

Fire & Ice Firming Facial / 45 min

\$95

A two-step sculpting facial ideal for skin types showing visible signs of aging including fine lines, puffiness, sagging and wrinkles. Noninvasive tools gently exfoliate and retexturize skin, boosting collagen production and stimulating cell turnover for a more supple appearance with zero downtime. Rejuvenate skin from the inside out with the GloPRO Microneedling Tool, which helps fade expression lines, enlarged pores and uneven texture. Follow with a soothing Cryo treatment that helps diminish facial puffiness through calming lymphatic massage for skin that's totally sculpted, tighter and brighter—like you're getting a mini lift. Service includes a complimentary take-home GloPRO attachment (tool sold separately).

Smooth & Sculpt Body Treatment / 30 min

\$75

Target body dimpling, stretch marks and saggy or crepey skin and leave with cashmere-smooth skin using the GloPRO Body Microneedling Tool, which stimulates all the denser areas of the body: thighs, booty, underarms and torso. This all-over body treatment helps regenerate cells from the inside out for firmer, smoother-looking skin. Follow with The Sculptor Body Cream formulated with proprietary cellulite-smoothing technology that continues working to break down the body's fatty acids and create a more supple appearance. Service includes a complimentary take-home GloPRO attachment (tool sold separately).

DARPHIN

ST. TROPEZ

Iconic Airbrush Tan / 30 min** **\$70**

The iconic natural, healthy-looking tan St. Tropez is famous for. A tailored back-from-vacation bronze to suit your desired depth of tan, which will fully develop in 8 hours. The formulation's added hydration ensures long-lasting results and an even fade.

Express Shower & Go Airbrush Tan / 30 min** **\$70**

The most advanced St. Tropez formula yet: a spray tan you can customize. Shower in as little as 1 hour for a light tan, 2 hours for a medium tan or 3 to 4 hours for a deep, dark tan. Your flawless sun-kissed tan will fully develop into your desired tone in 8 hours posttreatment for a beachy bronze that will last for days.

Purity Glow & Go Airbrush Tan / 30 min** **\$70**

Self-tan meets skin care with this no-rinse treatment. Get an instant dose of antioxidants and hydration as your radiant, golden glow develops in 8 hours. The tropically scented formula is clear, so there's zero transfer and no need to shower off. Simply glow and go!

**Service available at selected spas.

WAXING

Hair growth must be at least a quarter-inch long, but no longer than a half-inch, to receive hair-removal services. Please allow 48 hours before sunbathing or using a tanning bed after hair removal, as your skin may still be sensitive. These services cannot be performed on clients using Accutane, Retin-A or any antibiotic due to the sensitivity of the skin.

BROWS

HOURLASS

Signature Unrestricted Brow** / 60 min

\$110

A bespoke service that defines the brow while embracing its natural shape. Using hair-growth patterns as a guide, this signature technique sculpts the arch while maintaining as much hair as possible. Custom shaping may include trimming, micro-tweezing or both, depending on individual needs. This full-line service also includes a semipermanent tint to intensify the brow, resulting in a deeper color and added dimension, and finishes with brow styling using the best-selling Arch Brow products. A complimentary follow-up appointment will be scheduled 3 to 4 weeks after the service to help maintain your custom shape.

Note: It is recommended to have at least 6 weeks of brow hair growth (no tweezing, waxing, threading or trimming) before the first scheduled appointment.
