

## OUR KITCHEN TO YOUR TABLE

A COLLECTION OF CLASSICS FROM OUR COOKBOOKS

It's often said that food has many powers: to celebrate, to heal and to bring people together. We believe the dishes in our cookbooks can help do all of these things. All great recipes start with the freshest ingredients possible—just add family, friends and a splash of love. With this combination, you're sure to create a meal that will give you a reason to celebrate.

Nordstrom's newest cookbook, *Our Kitchen to Your Table*, is a celebration of our most-requested recipes from our previous titles, along with favorite recipes from Nordstrom employees, friends and family. All of them focus on made-from-scratch food and beverages that pay respect to the many farmers, fishers and producers who've dedicated their lives to providing the finest products using sustainable practices. Our goal is to pass this excellence on to the guests in our restaurants and the readers of our cookbooks.

***Our Kitchen to Your Table* is available for purchase at any of our restaurants or specialty coffee bars.**

## VILLA ANTINORI

For more than 600 years, the Antinori family has produced exceptional wines that proudly celebrate its Tuscan and Umbrian roots. With vineyards planted in Italy's most prestigious areas—Chianti Classico, Bolgheri, Montalcino, Montepulciano and Orvieto—Marchesi Antinori stands as a leader among Europe's finest winemakers.

Antinori wines proudly honor Italian winemaking traditions, but also reflect a relentless push to innovate and experiment. From generation to generation, no other family of winemakers has achieved such consistent excellence.

## FEATURED WINES

### CHIANTI CLASSICO RISERVA

The first vintage of Villa Rosso Chianti Classico Riserva was made in 1928. The Villa Antinori Chianti Classico Riserva is ruby red in color. On the nose, this red wine offers notes of plum, cocoa, white pepper and eucalyptus. The palate is soft and vibrant, characterized by a savory, long finish. The wine's aromas come to life on the palate with fruit, spice and balsamic characters.

### TOSCANA ROSSO

Villa Antinori Toscana Rosso is deep ruby red in color. Its nose is intense and complex, defined by notes of wild berries, blueberries and black currants, and notes of toasted hazelnuts, spices and vanilla. A full-bodied palate is well-rounded with supple, velvety tannins and a long, savory finish. With the 2001 vintage, Villa Antinori became an IGT Toscana wine, allowing Antinori to have complete control of the winemaking process.

### TOSCANA BIANCO

Villa Antinori Bianco was first released with the 1931 vintage by Niccolò Antinori. Since release, the label has remained virtually unchanged. Villa Antinori Toscana Bianco is straw yellow in color with greenish hues. On the nose, this white wine is refined, elegant, fruity and floral with notes of bananas, pears, pineapples and orange blossoms. The palate is flavorful with a fresh mineral finish.
