

Nordstrom is committed to the communities in which we have stores, and each year we donate millions of dollars to nonprofits across the U.S., Canada and Puerto Rico through our Gift Card Give Back program, which designates 1% of all Nordstrom Gift Card sales to charity. These funds support Nordstrom cash grants and our Employee Charitable Match and Volunteer Program. We also give back through Treasure & Bond, our own give-back brand that donates 2.5% of net sales to organizations that empower youth. In 2019, we're excited to continue our partnership with WE in the U.S. and Canada. We also invite our customers and employees to join us in making a difference in our communities through other campaigns and partnerships with MAC Viva Glam, Shoes That Fit, Human Rights Campaign Foundation, Children's Miracle Network Hospitals and Big Brothers Big Sisters of America. We're pleased to share this list of more than 425 nonprofits we're supporting through these efforts in 2019.
