

Enjoy a wellness break with a Golden Spiced beverage, made with Navitas plant-based Turmeric Latte mix, in one of our Ebars or restaurants this January. We're featuring this delicious combination of turmeric, ginger and cinnamon for a warm, easy pick-me-up all month long.

CULTIVATING GOODNESS

Navitas (Nuh-vee-tus) is Latin for “energy.” The brand dedicates its energy to sourcing ethically grown, powerfully nutritious plant-based superfoods to give you the energy you need to thrive. This has been a hallmark of the company since day one. Navitas believes that maintaining a plant-forward diet is one of the best things we can do for the health and longevity of our bodies and our planet.

SUPERFOODS WITH PURPOSE

Navitas Organics is committed to creating a healthier world through regenerative organic farming and plant-focused lifestyles. For 18 years, Navitas has offered the highest quality superfoods from around the globe and has used its business as a force for good by building a mission-driven brand that accurately reflects their ethics and values.

NAVITAS GROWERS

Navitas understands that agriculture is the basis for a healthy society; that’s why the brand is committed to partnering with small farms to help strengthen local economies and communities in regions where it does business. Every purchase of the ethically sourced, organically grown superfoods supports the growers and the innovations of small-holder farms around the globe.

THE TOMATO SOUP PROJECT

WORLD CENTRAL KITCHEN & NORDSTROM

Our Roma Tomato Basil Soup is a Nordstrom Signature Recipe and one of our most popular menu items. It's prepared with the same high-quality ingredients we use in our restaurants, and your addition of heavy cream will bring it to life. [Learn how we make it.](#)

For every jar of Roma Tomato Basil Soup purchased, Nordstrom will donate \$1 to World Central Kitchen.

ABOUT WORLD CENTRAL KITCHEN

Founded in 2010 by Chef José Andrés, World Central Kitchen (WCK) uses the power of food to nourish communities and strengthen economies in times of crisis and beyond. WCK has created a new model for disaster response through its work helping devastated communities recover and establish resilient food systems. WCK has served more than 50 million fresh meals to people impacted by natural disasters and other crises around the world in countries including

The Bahamas, Indonesia, Lebanon, Mozambique, Venezuela and the United States. WCK's Resilience Programs in the Caribbean and Central America have trained hundreds of chefs and school cooks, advanced clean cooking practices and awarded grants to farms, fisheries and small food businesses while also providing training and networking opportunities.
