## Make It Yourself

Our holiday shopping bags are designed to do more than carry your newly purchased presents home from the store. Each can be transformed into an origami shape—a heart or a handbag—or cut up and used to make a festive mobile or gift tags.

### Handbag

1.

Remove bottom insert. Pop sides out. Fold bottom up to flatten bag, then back down to bring bottom edges together.

2.

Fold sides in. Crease well and unfold.

3.

Fold top corners in. Crease well and unfold.

4.

Pop open the bag. Push long folds in.

5.

Pop short folds out.

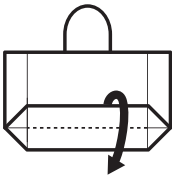

6.

Twist handles together to close bag.

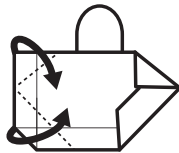

### Heart
