

SKINSPiRiT

The premier destination for medical aesthetics, award-winning facials and skin care—for face and body.

Facial Services

Signature Facial*

Reveal healthier, more radiant skin by resurfacing with microdermabrasion or dermaplaning during this deep-cleansing facial with enzymes, a rebalancing mask and a customized blend of luxurious finishing products.

DiamondGlow® Facial*

An award-winning facial for radiant, rejuvenated, healthy-looking skin. DiamondGlow technology simultaneously exfoliates, extracts and infuses skin with SkinMedica® serums. This noninvasive resurfacing treatment provides immediate and long-lasting results.

Express / 30 min, Signature / 60 min, Deluxe / 70 min

Power Hour*

The ultimate multitasker treats the face, neck and chest with microdermabrasion, an enzyme mask, light extractions and a chemical resurfacing peel—all in under an hour!

Teen Facial

Addressing the unique needs of teenage skin, this facial includes microdermabrasion in selected areas, extractions and products to soothe and clarify—plus, education on home care for continued benefits.

Microneedling

Reduce the appearance of fine lines, improve skin tone and acne scars, and stimulate collagen growth with this revitalizing treatment. Expert providers are able to tailor each treatment with targeted catalyst serums designed to meet your skin's unique needs.

**Dermaplaning upgrade for advanced exfoliation available. Duration of treatment time will vary with the added-on service.*

Chemical Peels

An expert will select the ideal peel to target your skin's specific needs, from treating discoloration and clearing up breakouts to smoothing away the look of fine lines.

Medical Aesthetic Services

BOTOX® Cosmetic & Dysport

Synonymous with smoother skin, BOTOX Cosmetic and Dysport injections prevent and reduce wrinkles and fine lines. You'll be in the best hands with the injectable experts at SkinSpirit, a leading provider of BOTOX in the U.S.

Dermal Filler

Add volume and contour to your lips, cheeks, jawline, chin and more with dermal fillers. Experienced injectors use their expertise of facial anatomy and balancing to achieve beautiful results.

Kybella®

This FDA-approved, minimally invasive approach to slimming the area beneath the chin permanently reduces submental fullness (double chin) for a profile you'll love.

Sculptra® Aesthetic

Subtly and naturally restore facial volume by activating your skin's own collagen-regenerating process. This injectable treatment can be used on the face, neck, chest and body.

Hair Restoration

Advanced platelet therapies are designed to help you grow thicker, fuller hair and even fight balding. When applied through regular scalp microneedling treatments, these serums promote regrowth for fuller, more voluminous hair.

Vitamin B-12 Injection

Improve energy levels, brighten skin, boost the immune system and support healthy weight loss with an injection that delivers all the benefits of vitamin B12—quickly and effectively.

Energy-Based Devices

SkinSpirit Laser Facial

Get flawless skin, in a flash. Reveal brighter, clearer, more radiant skin with a 30-minute reset powered by laser technology, designed to stimulate collagen and refine tone and texture. No downtime.

Photofacial

Reduce pigment and discoloration, including redness and sunspots, and uncover a more even skin tone with BBL™ or IPL photofacial treatments. Photofacials can be used on the face as well as the neck, chest and hands.

Laser Hair Removal

Our laser hair removal treatments are proven to give you smooth, stubble-free skin with long-lasting results. We use the most advanced technology to provide fast, effective and nearly painless results.

Laser Resurfacing

Reduce fine lines, improve discoloration, diminish scars and experience the ultimate radiance with MOXI® laser resurfacing treatments. Experts will work closely with you to customize your personal laser treatment plan.
